SINCE 1927 MELLINGER'S

For the past 31 years MELLINGER'S have been consistently noted for **QUALITY** and **FAIR PRICES**. Over the years we have sent merchandise to practically every state in the union as well as Hawaii and Alaska. We will endeavor to continue, and improve our policy of **QUALITY** with **FAIR PRICES** and we hope that you will continue to favor us with your patronage, which has been very much appreciated by us. We would appreciate very much if you would tell us any time that you may have any suggestions to offer that would be of help in improving our service or merchandise.

Respectfully yours,

Pat B. Mellinger

PORT B. MELLINGER

PLEASE READ CAREFULLY

ORDERS

Orders may be placed by mail, telephone or by calling at our store. Orders placed in advance, will give you the advantage of having scarce items reserved for you as well as a saving in time; when ready to you to pick up your nursery stock.

PRICES

All prices quoted in this catalog are subject to change at any time. We will endeavor to supply merchandise at Prices quoted and will increase only whenever absolutely necessary. We carry many items not listed in this book. We want you to feel free to make inquiry regarding such items and there prices.

TERMS

NOW AVAILABLE FOR HOME IMPROVEMENT

UP TO 36 MONTHS TO PAY

For such items as items as Evergreens, Shrubs, Trees, Seeds, Fertilizers, Labor or a complete landscape service. No down payment, bank interest rates, financed through the Union National Bank. Minimum order \$75. This service is available only for our local customers.

FREE PLANNING SERVICE

We will be glad to help you with your landscaping problems such as planning and any other suggestions you might want. There is no charge for this service, a rough sketch with dimensions or a photograph of your home will enable us to do a more thorough plan for you.

PLANTING SERVICE

We offer a complete landscape service, which includes materials and labor. Persons desiring the complete service should contact us for complete details. This service is limited to customers residing in our local area.

OUR GUARANTEE

Due to perishable nature of nursery stock we cannot guarantee growth unless we charge a premium. Losses may occur from causes beyond our control. The purchaser may subject the plants to undue exposure before planting or fail, to plant properly or neglect aftercare, such as cultivation, irrigation, etc. On the other hand if properly planted and cared for, the failures will be limited to an occasional plant, which may be lost for no apparent reason and such a loss is to be expected. The success or failure of a planting beyond the nominal loss as above referred to, is in the hands of the planter. Our method of handling and packing stock is modern and goods will be in good condition, well packed when they leave our hands. Our responsibility ends upon delivery to the carriers. If goods suffer through delay in transit, claim should at once be made on the transportation company.

WE CARRY MANY ITEMS NOT LISTED IN THIS BOOK: WE INVITE YOUR INQUIRIES ON ANY OTHER ITEMS YOU MAY BE INTERESTED IN OBTAINING.

23¢ for the first pound and 5¢ for each additional pound.

FOURTH ZONE-Within 300 to 600 miles of North Lima.

24¢ for the first pound and 7¢ for each additional pound.

FIFTH ZONE-Within 600 to 1,000 miles of North Lima.

26¢ for the first pound and 10¢ for each additional pound.

SIXTH ZONE-Within 1,000 to 1,400 miles of North Lima:

28¢ for the first pound and 12¢ for each additional pound.

How to Prune and Plant

Many failures of newly transplanted stock are due to the lack of proper pruning. When trees are dug in the nursery, some of the feeding roots are left in the ground, therefore, when transplanting it is necessary to restore the balance between the roots and the top by removing part of the tops. Spread roots out naturally and work soil around them. Put in good dirt around roots, fill hole with water. Then fill up hole with loose dirt.

Free! Planting Guide

The complete little pocket booklet on "How to plant" will be furnished free on request. Its a very helpful and descriptive planting aid! In the booklet it tells how to prepare soil, fertilize, prune, plant trees, shrubs, evergreens, berry plants, as well as all kinds of bulbs.

BAER'S LANCASTER AGRICULTURAL ALMANAC

1958 Lancaster Almanac. Containing the rising, setting, and eclipses of the Sun and Moon and suggested planting times. 25¢ each; BY MAIL POSTPAID 30¢.

HAVE A HOME NURSERY IN YOUR BACK YARD

TREE SEED PLANTING INSTRUCTIONS

TREE SEEDS are sown in rows or broadcast, both spring and fall. A seed bed 10 ft. long and 4 ft. wide contains enough space for 3000 to 5000 seedlings. After the seed is sown, cover the ground bed with burlap. Remove burlap when the seed germinates.

While most nursery seeds will germinate in one to four weeks, there are some that will not germinate until the second year. Among these are Japanese Yew, Multiflora Rose, Junipers, English Holly, American Holly, Dogwood, Pyracantha etc. These slower germinating seeds should be planted slightly deeper and mulched lightly to retain moisture.

After the seed beds begin to germinate, sprinkle dry sand lightly over the beds. The sand will help to hold moisture, reflect the hot sun, reduce weeds, and most of all, create a fast drying surface which is essential for controlling damping-off.

TRANSPLANTING INSTRUCTIONS

Requires just a little land; it is interesting and useful for growing lilies, evergreen seedlings, and flowers. Select a level protected spot from winds, and handy for watering. Make the seed beds 4 feet wide; cover with lath shade as shown under Fig. 3. Prepare the soil by deep plowing or spading. If the soil is heavy work in sand, humus, or any of the prepared soil conditioners. Flats are desirable when sowing small quantities of seed of different varieties. Make the flats 4 inches deep and use 1/4 inch wire mesh bottoms instead of wood. The ideal soil is a sandy loam.

In Fig. 1 we show how to transplant seedling trees, lily plants, or flowers. Use a board 4 feet long and 3 or 4 inches wide. Dig the trench as shown.

Fig. 1

Fig. 2

Fig. 2 shows a planting of young trees completed. Now the bed is ready for shade.

Fig. 3

Fig. 3 shows a completed lath shade placed 15 inches above the ground level. These frames are made 4 feet square for easy handling. Lath is spaced 1 inch apart. These frames are very useful for shading evergreen, lily, and many kinds of flowers, as well as small seedlings the first season of growth.

TREE SEEDS

To have trees, seed must first be planted. Tree seed comes from the four corners of the earth. We have the right species of tree seeds for planting in every climatic zone in North America.

We have sources of supply covering all parts of the world and we are therefore in a position to supply hundreds of other varieties. If in need of varieties not listed here, make your needs known and we will be happy to quote to you our prices on your requirements. There is a minimum of \$5 on special orders.

EVERGREEN SEEDS

Listed here are some of the more popular varieties and strains which will meet most requirements. Persons needing larger quantities or special strains of seeds should request quotations on requirements.

DON'T LANDSCAPE YOUR HOME WITH ORPHANS

Very few persons would consider purchasing an orphan automobile or other orphan appliances. The reasons for this are the uncertainty of quality and the thought of running into unnecessary additional expense later on.

YOUR LANDSCAPING should not be an exception. Unless you are thoroughly familiar with factors relating to environment, rate of growth, soil requirements, diseases and pest control and permanency, unnecessary additional expense will be inevitable.

To be certain of quality it is important to purchase your trees, shrubs, seeds, and other landscape needs from an established firm who will be available and WILLING to help you with your problems, whether it be planning, planting or services needed at later dates. Mellinger's have served this area over 31 years and we hope to be able to continue serving our many friends and customers with their landscape needs and problems.

EVERGREEN SEEDLINGS

A Young, Growing Industry — *Christmas Tree Production*

PUT YOUR IDLE LAND TO WORK!

Over 40,000,000 Christmas Trees are used each year. Plantation Quality Trees ALWAYS command premium prices. Wholesale price in recent years, \$1.50 to \$3.00 per tree. Make a \$1000 investment to plant a 5 acre tract worth over \$5000 for timber in about 30 years (\$10 per acre per year). Bring cash profits by thinning Christmas trees from a forest plantation of at least \$1000 per acre.

Are a cash crop requiring no cultivation or extra care. Will increase the value of a property if it is being held for resale.

Act as an inflation-proof savings account, paying a high rate of interest.

Pay for a college education for your children if started early and properly managed.

Bring idle agricultural land into production profitably.

Improve soil by retaining moisture, preventing erosion, and restoring fertility.

WHEN AND HOW TO PLANT TREES

Since the demand for quality Christmas Trees has been increasing considerably each year, more and more people are finding it very profitable planting some of their land with Evergreen Seedlings for Christmas Trees. The trees most in demand at present are Scotch Pine, Red Pine, Norway Spruce, White Pine, Austrian Pine, White Spruce, Fir respectively, although many other varieties sell readily.

For a maximum yield of quality trees they should be planted 4 1/2 by 4 1/2 feet apart. This will permit the growth of 2, 150 trees per acre, figuring cutting when 5 to 7 feet tall. It is rather fortunate that the long needle pines are so popular because they will make a Christmas Tree of cutting size in 5 to 7 years. This is indeed a very fast turnover, and when you consider the small initial investment, the tiny tract of land, and the minimum labor required for producing say 1,000 trees, you can readily understand how a very nice profit can be realized.

Through our own experience we will give you a few pointers on how to grow fine quality trees. It is important to plant the long needle varieties in untilled land such as sod or grassland. The first summer after planting and even into the second year, the seedlings will be difficult to distinguish because of the high weeds and grass. Experience has proven that the strong fast growing seedlings will push up easily through the weeds which serve as protection from adverse weather conditions. By the third year the weeds can be mowed between the rows, but that isn't necessary.

Spruce and Fir seedlings on the other hand should be planted in prepared ground and cultivated for several seasons after which they can be handled the same as the long needle varieties. Spruce and Fir will take several years longer to mature, but they usually command a higher price.

After the third year the long needle varieties may start growing to fast. If more than a foot of growth is put on in one season the trees may not be as bushy as preferred. This is remedied by cutting back any growth over one foot. This shearing must be done during June or early July. Spruce and Fir, due to their slow growth do not generally present the problem of overgrowth, but some shearing is generally required and this can be done in the fall and winter. If planting a large quantity, they should be put in, in the early Spring. By using a sharp spade or trowel, make a slit in the ground, insert the roots of the seedling and, most important of all press the soil firmly around the plant using the heel of your shoe, thus preventing air from reaching and drying out the roots.

PRICES: All prices quoted are F.O.B. North Lima, Ohio. No order can be accepted at these prices for less than units of 10 of one variety and size. 50 of one kind and size at the 100 rate, 500 at the 1,000 rate.

15% OFF ON EARLY ORDERS

If your order amounts to \$10.00 or more for evergreen seedlings listed on this page, and order is placed before March 1st for delivery anytime before April 20th you may deduct 15% from the total amount of the order provided the order is accompanied by a cash deposit amounting to one-half the order.

PINES FOR WINDBREAKS

Pines can be used on country estates or farms for a number of uses. Around ponds, lakes, for borders, windbreaks, screening and can be mixed in the woods to change the character of the woodland and provide a touch of green for the winter months.

WOODS PLANTING

We have Banks, Scotch and Red Pines available bare root at economical prices for this type of planting. These trees are out in the fields and therefore we must have your order at least one day in advance of the date that you wish to pick them up so that we may have them dug and ready for you.

BANKS PINE DIG YOUR OWN

We have a number of Banks Pine suitable for screens and windbreaks that we are offering for \$1.50 each for trees 4 to 8 feet tall. These are out in the field and customer will have to dig and haul in. Minimum order 5 trees. DIG and SAVE.

FOREST and SHADE TREES—SEEDLINGS

Persons needing Forest or Shade Tree seedlings for purposes of Reforestation, Windbreaks, and Landscaping etc. should submit to us a list of their requirements now, so that we may quote our prices to you for delivery either this Fall or next Spring. We are in a position to supply all leading varieties and sizes. Following are a few of the items available: Mountain Ash, Chinese Elm, Black Locust, Lombardy Poplar, Firch, Willow, Pin Oak, Chinese Chestnut, Silver Maple, Black Walnut, Honey Locust and many others to numerous to name.

EVERGREENS

FOR YEAR AROUND BEAUTY

All evergreens are carefully dug with a ball of earth, and burlapped so that they will not dry out. Below are listed some of the more common varieties and the range of prices of the various sizes. Due to the fact that some kinds and sizes are not very plentiful we cannot guarantee to supply all items during the entire season. All prices are subject to confirmation. From time to time we receive many special items not listed here. We would suggest a visit to our nursery when you are ready to plant, by so doing you will have the privilege of inspecting the plants and benefit by our suggestion.

FREE PLANNING SERVICE

We will be glad to help you with your landscaping problems such as planning and any other suggestions you might want. There is no charge for this service, a rough sketch with dimensions or a photograph of your home will enable us to do a more thorough plan for you.

PLANTING SERVICE

We are in a position to plant trees, shrubs etc. at a reasonable price. Ask for complete information.

Beautify
your Garden

"LANDSCAPE" EVERGREENS

NORWAY SPRUCE

A loftier, open tree of pyramidal habit, exceedingly picturesque. Very popular and effective in groups of evergreens. Fast growing.
PRICES: \$2.98 to \$15.00.

COLORADO BLUE SPRUCE

(Picea pungens glauca) This is one of the showiest and most impressive evergreens, surpassed only by Koster's Blue Spruce. The blue shade usually improves with age.
PRICES: \$4.90 to \$30.00, depending on size and color.

BLACK HILLS SPRUCE

The foliage varies from green to bluish tint. Some specimens are as blue as the Colorado Blue Spruce. This is one of the most hardy of all the Spruces. It grows usually symmetrical, compact and bushy, and shows good characteristics even in the small trees. Of slow growth, wide spreading and pyramidal in form. A few 4 and 5 foot trees available at \$15 to \$25 each. Some good blues.

DWARF ALBERTA SPRUCE

A Spruce of dwarf habits, ordinarily growing about two inches per year. Has a finer and shorter needle than other varieties. Used extensively for ranch type homes and cemetery planting. Supply very limited. PRICE: \$5 to \$10.

JAP YEWS-TAXUS

Mounded - Spreading - Upright

The shining dark green foliage of the Yews, their extreme hardness in full sun or shade, and their variety of shapes make them one of the most useful and valuable of the evergreens. They grow slowly and may be kept in the size and shape desired by occasional shearing. For lasting beauty in foundation planting, evergreen hedges or group plantings, they have no equal.

UPRIGHT YEW

SPREADING YEW - Are available in several varieties, such as Hatfield, Cuspidata, Densa, Brevifolia, etc. Smaller sizes are available from \$3.00 to \$5.00. Larger sizes up to \$8.75 ea.

UPRIGHT PYRAMID YEW - Excellent for corners, doorways or any place a pyramid is needed. 24 to 30 in. plants \$7.75. A limited quantity of other sizes.

HICKS YEW

available up to \$18.00. SPREADING YEW

COLUMNAR YEW - Hicks, and Hatfield are two excellent varieties of this type. They have many uses, such as hedges, corner planting on low homes as well as specimen planting. Small plants at \$1.; balled and burlapped plants, \$3.00 to \$10.00.

GLOBE ARBOR VITAE

This globe form is one of the best and most widely known of the Arborvitae. It assumes the natural globe form, and while it may reach a considerable diameter, and continues to maintain a well rounded shape. PRICE 12-15 inch \$2.98; others up to \$5.00.

ELEGANTISSIMA ARBOR VITAE

Thuja occidentalis elegantissima - A type very similar to the American Arborvitae, but a more compact tree of much darker green color and bright yellow tips on the leaves. This coloring from a distance gives a light yellow cast.

24-30 in. \$3.90; 3 ft. \$5; and up.

PYRAMID ARBOR VITAE

Pyramidal (Thuja pyramidalis). Most compact and erect of the entire family, in form almost a counterpart of Irish Juniper. Foliage deep green retaining its color well.

24 to 30 in. \$2.98; others up to \$7.50 each.

DOUGLAS ARBOR VITAE

The foliage is short, dense, dark green and is arranged in small curled or twisted clusters resembling a cock's comb. 24 to 30 in. \$3.90; 30 to 42 in. \$4.50.

NIGAR ARBOR VITAE

A pyramid type with exceptionally dark green foliage. 24 to 30 in. \$3.00; 30 to 36 in. \$3.90.

AMERICAN ARBOR VITAE

Thuja occidentalis - Pyramidal shape; soft green foliage in spring and summer, which changes to brown or bronze in winter. Rapid growing and fine for massing or hedging. PRICE 30-36 in. \$2.98; and up. We have a few extra heavy specimens about 7 feet tall at \$13.00 each

SCOTCH HEATHER

A dwarf Evergreen Shrub that starts to bloom in February and March with a multitude of small blooms. Nice plants at \$1.50 to \$3.00 each. Cannot be mailed.

BIOTA

Makes a neat, compact growth, thickly covered with attractive golden-colored foliage. Dwarf habit, 15 in. \$4.00. Limited quantity of other sizes at corresponding prices.

PYRANCANTHA LALANDI

(Firethorn) The most hardy variety. Upright grower, white flowers; large, orange colored berries from mid-summer 'til late winter. Prune annually for increased berry production. PRICES: \$1.50 up to \$7.50.

A FIELD OF CANADIAN HEMLOCK

CANADIAN HEMLOCK

A native American tree that will stand severe cold. Valuable for landscape use in partial or heavy shade, or on north side of building. Makes a regular conical form, tempering, evenly from a broad base to a long thrift shoot. Grows very rapidly and has long, graceful branchlets. It may be trimmed into hedges and other shapes.

PRICES: 15 to 18 inches \$2.98. Other sizes up to \$7.50.

JUNIPERS

HETZI JUNIPERS

A spreading-type evergreen, decidedly blue, rapid in growth, and stands shearing well, making fine heavy stock. It closely resembles the Pfitzer Juniper, but has the advantages of the blue colored foliage and is somewhat more rapid and senser in growth. It makes up more readily as a staked spreader and can be used in partial shade. 15 inch \$2.98; Heavy 24-30 inch plants as pictured above \$4.00. (This is a regular \$5.90 value) We also have a few Pfitzer Junipers of the same size at the SPECIAL PRICE of \$4.00 each. Don't fail to take advantage of this opportunity, as supply is limited.

SPINY GREEK JUNIPERS

Juniper excelsa stricta. A very dense dwarf variety with beautiful blue-green color. Cone shaped, slow growing, very useful in borders and foundation plantings.

PRICE: \$3.90 and \$5.00.

IRISH JUNIPERS

Juniperus communis hibernica-Erect slender and formal in habit. Foliage sage-green.

PRICES: 2 ft. \$2.98; others up to \$5.00

"Red Berry" HOLLY TREES

ILEX OPACA

Here's a Christmas-time favorite that is beautiful all year round. Red berries and shiny green leaves. Can be trained as a shrub or grown as a tree. Supply is limited on this very popular item, 6-8 in. potted plants \$1; other sizes up to \$15.

ENGLISH HOLLY

With its shiny spiny evergreen foliage and its larger dense clusters of brilliant berries a well grown specimen is most decorative in front of coniferous evergreens.

WINTER BERRY

Ilex verticillata-Grows 6 to 8 ft. tall. Used extensively for the winter beauty of the clustered scarlet berries on the bare stems. They can be grown in masses but they will also grow well in the border. PRICES: 9-12 in. \$1; 12-18 in. \$1.50.

HETZ HOLLY

ROTUNDIFOLIA

HETZI HOLLY

(Shown above) One of the more recent introductions that is in heavy demand because of its strikingly dark green leaves which are extra glossy in appearance. A perfect plant for planters and low foundation plantings. 12 in. \$2.98; others up to \$5.50 each.

ILEX CRENATA ROTUNDIFOLIA

Ilex crenata rotundifolia-Similar to the beautiful Ilex Convexa listed below. Except that there are more round leaves, thicker and more compact. 12-15 in. \$2.98 and up.

ILEX CONVEXA

Beautiful ILEX CONVEXA... low-mounded shrubs with charming, glossy, deep-green foliage all year! Horizontal habit ideal for foregrounds! Hardy and dependable. PRICE: From \$2.90 to \$5.00.

GREEN ISLAND

PLANT PATENT #917

This new, fine, compact, evergreen holly makes a very desirable plant for foundation planting. It is usually treated as a spreader. Once this shrub attains the desired size, shearing is all that is necessary to maintain its everlasting beauty. PRICE: 12-15 inch \$5.00; 15 to 21 inch \$7.00.

MAHONIA (Oregon Holly)

MAHONIA (Oregon-Grape Holly) Dense, low spreading shrub beautiful holly-like foliage, glossy green, bluish-purple and bronze, moderate growth, 3 to 5 feet, exceedingly hardy. Fine for low shrubberies, mass planting, individual specimens or groups, equally good in shade or sun. PRICE: \$1.00; \$2.00; \$3.90 and \$5.00.

ANDORRA JUNIPERS

Juniperus horizontalis plumosa-A dwarf spreading Juniper of silvery green color foliage, turns pinkish or purple in autumn, a distinct color that lasts until spring. PRICES: 12-15 in. \$2.98; and others up to \$6.

EVERGREENS!

... Provide all-year Beauty

WE HAVE MANY PLANTS AND TREES NOT LISTED IN THIS PRICE BOOK. WE CORDIALLY INVITE YOUR INQUIRES ON OTHER ITEMS, YOU MAY BE INTERESTED IN ACQUIRING.

Most Beautiful of the Flowering Evergreens

MOUNTAIN LAUREL

So beautiful that two states, Connecticut and Pennsylvania picked it as their state flower. Glossy, broad evergreen leaves are lovely every day in the year, but the exquisite white or rose flowers are the plants crowning glory. Bloom in huge clusters that make one of nature's most colorful shows. Hardy. For most gorgeous effect

mass 5 or 6 plants along wall or border.

LARGE PLANTS: \$3.90 & \$5.90

POTTED PLANTS—\$1.25

Hybrid, Stocky, Healthy

RHODODENDRONS

Their gorgeous blossoms and magnificent foliage amply repays the gardener who is willing to give the required special care in planting. Little subsequent care is needed in most situations. They prefer acid soils and dislike hot, scorching sunshine. Nearly every color but blue is found.

We specialize in nursery grown stock. PRICES: \$4.90, \$5.90 \$7.50; to \$14.00.

5 Year Holland Grafts, named varieties and colors. \$5.90
18-24 inch Lilac, B & B. 5.90
24-30 Crimson. \$12.00 to \$15.

FOLLOWING PLANTS ARE FURNISH IN BALL OF PEAT.
4-8 inches tall. \$1.00
8-12 inches tall. 1.65
12-15 inches tall, branched. 2.65
Persons wishing to make large group planting of any of the above sizes, should request quantity prices.

DAPHNE

Daphne cneorum (Garland Flower) - is a choice low evergreen with dense clusters of fragrant pink flowers in spring, and often a second crop in the fall. Prefers a sweet soil. Nice plants, that will bloom the first season sell as low as \$1.75 each.

DAPHNE MEZEREUM

A neat deciduous shrub growing about 10 feet tall. Its fragrant lilac-purple flowers appear in March, before the leaves come out, and in the summer it is attractive with scarlet fruit. 18 to 24 in. \$5; 2 to 3 ft. \$6.

RETINOSPORA

Retinospora plumosa—A handsome tree of medium growth, with a very handsome blue-green foliage. Slender pliable branches give it a feathery appearance. Also available with a golden foliage.

PRICES: 12 in. \$3.90; other sizes up to \$7.50

GORGEOUS EVERGREEN

AZALEAS

READY TO BLOOM

Evergreen Azaleas are a member of the Rhododendron family and is among the most beautiful of all flowering shrubs in existence. AMAZING Dwarf Trees NEW

RAISE FULL SIZE FRUIT IN YOUR OWN BACK YARD

- Easy to Grow
- Usually Bear First Year
- Cut Food Bills Fast
- Make You Money Too
- No Yard Too Small

Just imagine the thrill you'll get when you start picking delicious tree-ripened fruit from your own trees. No other fruit ever tastes so good as the fresh-picked kind, and you'll love the

sweet, juicy, distinctive flavor of all these wonderful, early-bearing dwarf trees. You'll have fruit for pies, jams, jellies plus fresh fruit leftover for snacks and lunches. Dwarf Fruit Trees increase property values hundreds of dollars, and often pay for themselves over and over again. What's more, in a few years you may have a big enough yield to sell the surplus at a good profit. Dwarf Fruit Trees can be grown in place of flowering shrubs. They are equally beautiful and far more useful. Never grow too tall. Choose the trees you want. All trees are 2 year-old quality stock with good, heavy roots. Trees come smaller of course, than regular fruit trees, but bear years earlier. We sell the best size for successful transplanting. Supply is limited. Order now. Don't wait.

Dwarf Pear Trees

Produce Large, Full Size Pears Will Take Only a Corner of Your Yard

These extra-hardy Dwarf Pears thrive almost everywhere. Heavy-bearing. Bloom in spring. We sell strong, well-rooted trees, at least 2-4 feet tall. Varieties: Bartlett, Claps Favorite, Duchess, Seckel, Keiffer. \$2.50 each; 5 for \$11.50.

NECTARINE TREES

Hardy NUT TREES

Double Value—Beautiful Shade in Summer

FLAVORFUL NUTS IN AUTUMN

A Real Profit Opportunity

BUTTERNUT (White Walnut)

BUTTERNUT - Nuts are large. One of the best for cookies, cakes and sweets. 2-3 feet tall \$2.00 each.

AMERICAN FILBERT (Hazel Nut)

FILBERT - American Hazel Nut - Quick bearing dwarf growing. Easy to crack, large sweet kernels, shell out whole. Good for shrub borders or hedges. 18-30 in. \$1. each; 5 for \$4.50; 10 for \$8.50.

DuChilly Filbert..... 4-5 ft. \$2.90 each.
Barcelona Filbert..... 4-5 ft. \$2.90 each.

JAPAN WALNUT

JAPAN WALNUT - Valuable as a shade tree. Nut has a thin shell, kernel flavor similar to white walnut. Used largely as a pollinizer for English Walnuts. Trees 2-3 ft. tall \$2.00.

CHINESE CHESTNUT - Blight resistant, Grows successfully where native trees have died. Handsome ornamental. medium size, spreading trees excellent for shade, beauty and fruit. Large nuts that compare in size and quality to native kind. 2-3 ft. tall \$2.50 each; 3 to 5 ft. \$2.00 each; 5 to 7 ft. \$3.00.

BLACK WALNUT

BLACK WALNUT - The regular Black Walnut you see in many sections. Trees 4 to 6 feet tall \$1.50 each. Ask for quantity prices.

ENGLISH WALNUTS

ENGLISH WALNUT - Thin shelled nuts with oil-nutted kernels of delicious flavor. Trees 2-3 ft. tall \$4.75; 3-4 feet tall \$3.25.

Dwarf Apple Trees

Bear Earlier Than Standard Trees Take Only 15 Feet of Space

Many regular size apple trees don't bear as big crops as juicy, red-skinned apples as these mighty midgets. Bloom in early spring with thousands of fragrant white flowers. Sturdy well-rooted trees, at least 2-4 ft. high and all of our dwarf varieties are very early bearing.

VARIETIES: Northern Spy, R.I. Greening, 20 Ounce, Red Rome, Cortland, Red Delicious, Yellow Delicious, Baldwin, Jonathan, McIntosh and Wealthy.

PRICE: \$2.95 each; 5 for \$14.00.

OKANOMA RED APPLE

(Trade Mark Registered)
(Semi-Dwarf)

A new SEMI-DWARF sport of Red Delicious. Needs very little pruning. Grows fruit closer in on the tree, on heavy wood and will carry a heavier load without breaking. This tree is easily thinned, requires less spray material because of open habit. Fruit hangs on tree five to ten days longer than other Red Delicious. EACH \$2.95.

DELCON (Semi-dwarf 12 ft)

Produces full size dark red fruits similar to Delicious but without knobs. A natural dwarf variety. Flavor is a combination of its parents Jonathan and Delicious. Developed, tested and approved by Mo. State Experiment Station. Price \$2.75 ea.

New Dwarf Cherry Trees

Dwarf Cherries bear early and produce real bumper crops. You get hardy, heavy-rooted trees at least 1 1/2 - 3 ft. tall, and all of our special early-bearing varieties. Bloom beautifully in spring. Supply of Sweet Cherries very limited this season.

New DWAFFRICH Cherry

A new variety from the U.S.D.A., Cheyenne Field Station. Makes a bushy, shrub like tree 5 to 6 feet tall. Fruit, bright red, fine flavor, medium size, ripens few days after Montmorency. Extremely Hardy. Each \$3.50.

METEOR CHERRY

(Minn. No. 66)

Cross of Montmorency x Shubianca seedling. Tree strong vigorous upright grower, large leaves resistant to leaf spot. Fruit very large. Color clear light red, skin thin. Stone small and free. Each \$3.00.

NORTH STAR CHERRY

(Minn. No. 58).

Cross of Serbian pie cherry x English Morello. Relatively small tree. Fruit dark red at maturity, skin medium tender, flesh juicy. Stone small and free. Each \$3.00.

HANSEN'S Bush Cherry

An ornamental shrub producing an abundance of delicious fruit. Attractive white blossoms in spring add to landscape effect. Leaves are silvery green, turning red in autumn. Grows 4 to 5 feet tall. Can be kept trimmed. 2 ft. plants \$1.25; 4 to 5 ft. plants \$2.00 each.

EVERBEARING FIG

Can be grown indoors or outdoors. Plants bear the first year. Fruit is of good size, sweet and delicious. Excellent for preserves, jams, canning, drying or for eating fresh. Price \$2.00 each; 3 for \$5.50.

QUINCE TREE

ORANGE - The best known of all quinces. Excellent flavor and a heavy yielder and good cooker.

	1-9	10
1 year 2-3 feet	\$1.75	\$15.00
2 year 4-6 feet	2.50	17.50

New! FRENCH HYBRID GRAPES

The Grapes with the sweet, flavorful skins.

ZULU QUEEN, (363) darkest red...	2.50	3.00

Grandiflora ROSES

Some flowers are carried singly on long stems, and others are in clusters. They are produced as freely as floribundas, yet have the wonderful bud form, long lasting larger flowers and magnificent cutting stems of hybrid teas. The tall bush needs to be placed at the rear of a group planting; it also makes a fine specimen plant.

FERTO POTS

Plant "EATS" Pot

SENSATIONAL INVENTION.
Pots made of rich rotted cow manure in automatic pot machines and kiln dried. No wilt, no setback, quicker, better results if seeds, bulbs, plants and cuttings are started in FERTO POTS. When transplanted outdoors pot and all go into the ground. Pots soften up in the moist soil and feed the growing plants. FERTO POTS are a boon to professional growers and home gardeners alike.

Summer-Flowering BULBS

GLOXINIAS

3 for \$1 12 for \$3.50
TOP SIZE

MAIL ORDERS-Should include
for sales tax and postage.

Flower lovers have long known

the beauty of these Gloxinias as a house plant, but only a few know that they can also be so successfully grown outdoors. Colors are shades of red, purple and violet with a fringe of white. So easy to grow you almost can't fail.

Hardy Garden LILIES

REGAL LILY - Large trumpet shaped white, sweet scented flowers. Clusters of bloom during July. Easily grown. Blooms 4 to 5 inches across.

SPECIOSUM RUBRUM - Beautiful white flowers suffused rose-pink and spotted crimson. Blooms August and September with 4 to 10 flowers per stem. HENRY I - Brilliant salmon-orange flowers with reddish brown spots and green central line in each petal. Blooms late July and August.

PRICE-40¢ each; 3 for \$1.00. Tax and postage additional

AMARYLLIS - Giant American Hybrids

This is a fine strain of large-flowered American-grown hybrids. Produces well shaped flowers of excellent substance. Available in MIXTURE ONLY, ranging from the richest self-colors to bi-colored blooms. Selected bulbs Each 40¢; 3 for \$1.10.

Caladiums

Caladiums are becoming the most popular of all foliage plants. They are marvelous for pots, window boxes, or outdoor beds.

They revel in semi-shaded locations. No other bulbs give such a variety of color for as long a time as Caladium. Cut the leaves for attractive and unusual table decorations. They will last for weeks in water. 35¢ each; 5 for \$1.50.

Colorful CANNAS

Plant these roots for a bed of tremendous color effect this summer. Will bloom from June 15th until frost. Cannas require very little attention and will grow and bloom most anywhere. VARIETIES: Yellow King Humbert, Red King Humbert, The President, Scarlet, Hungaria finest pink and Red Bird.

PRICE: 20¢ each; 5 for \$1.00; Dozen \$1.75.

DAYLILIES

Beautiful Daylilies, so prized by gardeners everywhere for their hardiness, gay color, and progressive beauty each year. Gay blossoms in mixed shades of yellow and orange, with attractive grass-like foliage. Heavy strong plants. 50¢ each; 5 for \$2.00; 12 for \$3.75; Mailing charge 30¢ additional. Plus 3% sales tax.

CALADIUM

ELEPHANTS EAR - Plant produces large green leaves. Effective singly or in masses. For outdoor growing only. Not hardy. 20¢ each; 3 for 60¢.

ANEMONES

Assorted colors. May be planted most anytime, early or late.

PRICE: 10 for 50¢; 100 - \$4.50.

LARGE-FLOWERED

Gladiolus

FEW FLOWERS ARE LOVELIER
OR EASIER TO GROW
IMPORTED BULBS

ALL TOP SIZE BULBS
\$6.00

79¢ PER DOZ.

PER 100

POSTAGE EXTRA on mail orders. Please include for postage and packing, 30¢ for the first dozen and 5¢ for each additional dozen. Money for sales tax should be included, as bulbs are taxable.

HOLLAND GROWN BULBS are available this season in 12 new and different varieties and colors. You must see them to be able to appreciate their great beauty. These TOP SIZE HOLLAND GROWN BULBS will produce blooms that are superior to what you ordinarily receive from American grown bulbs. Bulbs are usually ready for delivery in March.

GROW A RAINBOW OF IRIS

IRIS—These are the roots that produce exquisite giant blooms with the big velvety petals. They are easy to cultivate. ASSORTED VARIETIES, not named—25¢ each; 5 for \$1. FANCY NAMED VARIETIES—50¢ ea. 5 for \$2

BEGONIAS - Tuberous-rooted

No other bulbous subject has increased in popularity over the past few years so much as these Begonias. They make a very useful,

and beautiful pot plant for early spring but they serve their best purpose when grown outdoors—for here they provide a continuous feast of beauty until cut down by frost. Fine for shady places. PRICE—4 for \$1, 12—\$2.75; single bulbs 30¢. Sales tax and postage extra.

Hanging Begonias

MIXED COLORS—Large double flowers in masses on gracefully suspending stems. Fine for hanging baskets, window boxes or pots. Choice assortment of the most popular colors. LARGE BULBS; 35¢ each; 3 for 97¢.

TUBEROSES

DWARF PEARL Double, fragrant, wax-like flowers closely set on upright sturdy spikes 2 to 3 ft. tall. Nice in the garden, besides being highly prized as long lasting cut flowers. Roots are not hardy and should be treated as annuals. 3 for 50¢; 6 for 90¢.

DAHLIAS

Large Flowering Varieties

Individually named colors and varieties. You will be thrilled with these prize winning varieties. A REAL BARGAIN at 55¢ Each.

GORGEOUS PRONIES

The most beautiful of all perennials. Plant them as you would a tree to enjoy the rest of your days.

NAMED VARIETIES;

CLUMPS at \$1.50 and up.

HOTKAPS—An Individual Hothouse for Every Plant!

These sturdy little hot houses are made of glastex paper, and completely protect plants from destructive frost, storms, sun, wind and insects. Increase yield 18% to 51%, ripen crops 3 weeks earlier. 25 for 75¢; 100 for \$2.90. By mail 30¢ extra. 1,000 for \$18.35; prepaid \$19.85; prepaid \$91.00 for 5,000.

GROW YOUR OWN MUSHROOMS AT HOME!

\$1.65 each.

Mushrooms for home consumption can be grown in your cellar without odor or disorder, in Magic Mushroom Trays, which come filled with compost, and sown with spawn, ready to grow after covering compost with one inch of garden soil from your garden and than soaking with water. Trays measure 15 by 17 inches. Mushrooms should mature in 3 to 4 weeks and continue to develop for 2 to 4 months. Four trays are recommended to supply the average family. Compost which fills the tray is pasteurized and odorless. Shipping weight 12 lbs. Shipped complete with instructions. 2 trays \$3.30; 4 trays \$6; 6 or more trays \$1.35 each. All shipments at purchasers expense.

MUSHROOM

PURE CULTURE TOBACCO STEM SPAWN We offer here the latest development in mushroom spawn for persons wishing to make their own compost beds to grow mushrooms. This spawn is easier to handle, the growth more vigorous, and results more certain. Adverse growing conditions are more readily overcome. One package will plant 10 to 12 sq. ft. Easy to follow cultural directions are with every package of spawn. 50¢ per package; 5 packages \$2.30; 10 packages \$4.30.

GRO QUICK

ELECTRIC SEED BED HEATER

SEED UP IN 30 HOURS
ROOT CUTTINGS IN 6 DAYS
CUT GERMINATION TIME BY 1/2
TRANSPLANT 2 WEEKS SOONER

You, too, can get these results. Get free plans — instructions.

GUARANTEE All GRO-QUICK products are guaranteed to be of 1st class material and workmanship. All sales are subject to refund in full if returned within ten days.

These standard 5 watt per ft., 115 volt hotbed units are for use only in damp soil or water.

wired or the gilt edge type. BEEKEEPERS may have upon request a complete Price List of Equipment, Supplies, Package Bees and STARLINE QUEENS.

SHADE TREES

WONDERFUL NEW HONEYLOCUSTS

The Most Widely Adaptable New Trees On The Market Today.

MORaine LOCUST

Fast-Growing Seedless Shade Tree
(Plant Patent No. 639)

A vigorous, fast growing, tree, shaped like American Elm, but not susceptible to disease. The leaves are so fine they practically disappear into the grass when falling. Its branches arch up and out-reach above a two story house without obstructing view or air circulation. Fine foliage makes plenty of cool shade-lets enough sunlight through for good lawn growth, but not enough for crab grass growth. Will thrive in spite of smoke and soot on all kinds of soil. 5-6 ft. \$5.00; 6-7 ft. branched \$6.90.

ONEY LOCUST

Fragrant white flowers in May. Long lived, very fast growing, hardy tree. Succeeds on most any kind of soil. Very highly recommended. PRICE: 6 to 8 ft. \$3.90; 8 to 10 ft. \$4.75; 10 to 12 ft. \$5.75.

KENTUCKY COFFEETREE

Rugged pestfree tree of picturesque round-spreading habit. Interesting in winter with its gray, stubby twigs and twisted branches. Grows up to 50 feet tall. 5 to 7 ft. tall.....\$7.50.

MOUNTAIN ASH

ASH, European Mountain (Sorbus aucuparia). An ornamental deciduous tree with beautiful foliage which turns orange-red in the fall. The fruits are shown and often remain all winter, if not eaten by the birds. Not particular as to soil.

PRICES: 6 to 8 ft. \$4.50; 8 to 10 ft. \$4.95; 10 to 12 ft. \$6.90 each.

A few larger specimen trees available, each one is priced individually. Bare root or balled and burlaped.

CHINESE ELM

CHINESE ELM (ulmus pumila). This variety is a very rapid grower known to have reached a height of 20 feet, six years after planting an 8 to 10 ft. tree. Resembling the popular Norway Maple in shape. Exceptionally well adapted for street and shade planting. PRICES: 6 to 8 ft. \$3.00; 8 to 10 ft. \$4.50; 10 to 12 ft. \$5.25. We have a few 2 to 3 ft. trees \$1.00 each or 10 for \$5; 100 for \$40.00.

PIN OAK

OAK, Pin. This very handsome, long lived tree is one of the very best for shade. It has horizontal drooping branches and finely divided shiny dark green leaves which turn red in the fall. A rapid grower. 6-8 ft. \$4.50; 8-12 ft. \$5.00; 10-12 ft. \$7.50.

RED OAK

A rapid growing tree, forming a large round head. The foliage becomes dark red in the fall. 8-10 ft. tall \$6.25.

SCARLET OAK

Excellent for a dry situation. The bright green foliage becomes brilliant scarlet in autumn. 8-10 ft. tall \$6.25

LARCH

It belongs to the pine family, bears cones but sheds their leaves. Larches are planted for their stately form and soft texture, and for the pleasing delicate effect of the growth. 3 to 4 ft. whips \$3.00; Larger sizes are B. & B. 7 to 8 ft. \$10; 8 to 10 ft. \$12.00; 10 to 12 ft. \$15.00.

IMPERIAL LOCUST

(Plant patent No. 1605) Imperial Locust is an exceptionally graceful, spreading variety that is destined for recognition as one of the outstanding trees of this age. The prolific branching results in a uniform, fairly broad, yet compact head. Even small nursery trees, have the appearance of rather mature specimens. The foliage is dainty and refined and has a fresh green color and because of the dense branching habit, form a more dense cover.

4 to 5 ft. whips.....\$3.30.

SKYLINE LOCUST

(Plant patent No. 1619) Branches are uniformly spaced and arranged, resulting in a well filled tree of rather formal appearance. The leaves of SKYLINE are dark green and of a heavy, leathery texture. An added touch is the reddish-bronz cast which characterizes the emerging leaves.

4 to 5 ft. whips.....\$3.80.

MAJESTIC LOCUST

(Plant Patent No. 1534) A strong graceful tree of spreading growth habit, entirely thornless. The bold, abundant foliage is extremely dark green when mature, retains its richness even in drought or wet soils.

5 to 6 ft. whips.....\$3.10

Tall, Graceful, Early Blooming

TULIP TREES

Healthy, Field Grown

TULIP TREE. Whitewood. One of the grandest of our native trees; of tall pyramidal habit with broad glossy, middle shaped leaves and beautiful tulip like flowers. Allied to the Magnolia. Leaf color is clear bluish green; in fall turns brightest yellow. Flowers are 1 1/2 to 2 inches long, light greenish yellow marked inside base with orange, appearing in May and June. 6 to 8 ft. \$4.00; 8 to 10 ft. \$5.75;

A few larger sizes available, each specimen individually priced.

GOLDEN WEEPING WILLOW

GOLDEN WEEPING WILLOW... 3 to 4 ft whip \$1; 6 to 8 ft. \$3.50; 8 to 10 ft. \$5.

A few large specimens of various sizes, all individually priced.

PUSSY WILLOW

PUSSY WILLOW-(French) Well known for its silvery catkins and worthy of being extensively planted. 3 to 4 ft. \$2.25; 5 to 6 ft. \$3.75.

WISCONSIN WEEPING WILLOW

Well known weeping tree. Its fresh green color and drooping branches make it a very beautiful tree. PRICES: 4 to 5 ft. \$2.00; 5 to 6 ft. \$3.00; 6 to 8 ft. \$4.00; 8 to 10 ft. \$5.

BABYLON WEEPING WILLOW

Rapid grower with long pendulous branches. 6 to 8 ft. \$4.00 8 to 10 ft. \$5.00; 10 to 12 ft. \$6.00. A limited number of heavy caliper at \$35 and \$50 each.

RED BUD (Judas Tree)

Fable tells us that when Judas betrayed Christ this tree immediately dripped all over with drops of blood and that is the way it looks today when its blooms first come out. Later they turn into beautiful rose-purple flowers. Blossoms in April before the leaves appear. 15 to 20 ft. maturity height 4 to 5 ft. \$2.75; 6 to 8 ft. \$4.50

Beautiful and Stately SHADE TREES

SPECIAL PRICES FOR REAL ESTATE DEVELOPMENT AND PARK PLANTING

We give special prices for street and park plantings using twenty or more trees. Write or call us, giving quantities and grades desired. All 6-8 and 8-10 ft. are well branched.

SILVER MAPLE

**Will Make Your Yard Beautiful
For Years to Come!**

These Giant Silver Maples (A Saccharinum) make any yard a showplace. Grow straight and strong to a magnificent 70 foot size. Leaves are a forest green on top... a gleaming silver underneath. When the wind blows the leaves, the whole tree glitters like a million silver dollars, and is breathtakingly beautiful. In fall they turn a brilliant, dazzling yellow. Easy to grow.

PRICES: 5 to 6 ft. \$2.50; 6 to 8 ft. \$3.50; 8 to 10 ft. \$4.25; 10 to 12 ft. \$5.50; 10 to 14 ft. heavy \$10.00. Certain other heavier specimens up to \$20.00 each. Quantity limited.

SCHWEDLER'S MAPLE

A beautiful variety of the Norway Maple with leaves of bright crimson color, changing to a purplish green late in the autumn. One of the most valuable trees for contrast.

PRICES: 6-8 ft. \$6.50; 8 to 10 Ft. \$8.00; 10-12 ft. \$9.25.

CRIMSON MAPLE

It is a very dark crimson, which color it retains all through the summer months. It has been under observation for a good many years and has kept its brilliant coloring all through the entire season. One of the most outstanding ornamental trees ever produced. It will increase the value of your home considerable.

PRICE: 4 to 6 ft. whips \$4.75; 6 to 7 ft. \$6.50; 7 to 9 ft. \$8.50.

NORWAY MAPLE

MAPLE, Norway. This is a very fine, hardy, large-leaved dense shade tree, a better shade than the old Sugar Maple.

PRICE: 6-8 ft. \$5.50; 8-10 ft. \$7.50; 10-12 ft. \$8.50.

SUGAR MAPLE

Large, long lived trees, with gray bark. Grows well except in damp, soggy soils. An excellent street and shade tree of upright, dense growth. Leaves turn bright yellow and scarlet in the autumn.

PRICES: 5 to 6 ft. \$3.50; 6 to 8 ft. \$4.75; 8 to 10 ft. \$5.90.

GINGKO (Maidenhair)

Prehistoric Chinese Tree with distinctive fan-shaped leaves. Is easily transplanted, and thrives in cities or open country. Supply very limited. ASK FOR PRICES.

SILVER QUEEN MAPLE

Don't Wait a Generation for Shade!

You can have ample shade within a few short years by planting the sensational new SILVER QUEEN MAPLE... SILVER QUEEN is extremely hardy, drought resistant and adaptable to a wide variety of soils. It is pyramidal in growth habit, and has beautiful foliage of the cut-leaf type. The fact that it is seedless makes it desirable for all landscape purposes.

PRICE: 5 to 6 ft. tree. \$4.50.

PLANE TREE or SYCAMORE

A rapid growing, erect tree with bright green foliage much more esteemed than the American variety as a shade tree. Very desirable for parks, streets, and lawns. 6 to 8 ft. \$3.90; 8 to 10 ft. \$5.00; 10 to 12 ft. \$7.50. Other larger sizes up to \$20.00 each.

LABURNUM (Goldenchain)

No picture can do justice to this rare, low growing tree. Its long clusters of pure golden yellow are similar in form to the well known Wisteria, and often reaches 18 inches in length as many as 6 or 8 clusters on a small twig. Does well in either partial shade or full sun. A show plant all season with its decorative green bark and large, clover-like leaves.

PRICE 5 to 6 ft. \$4.50; 6 to 8 ft. \$6.75.

LOMBARDY POPLAR

Will Develop a Wind Break Very Rapidly

Requires no pruning. The ultimate height 60 to 80 ft. This tree has long been used as a dignified screen for buildings or driveways, for backgrounds, or merely for privacy. It grows rapidly. Thrives in a wide range of soil conditions.

FINE, STRONG STOCK

2- 3 ft. tall..	\$.35 each;	10 for \$2.75

JUNIOR LOMBARDY POPLAR

These 18 to 24 inch tall Junior trees make it possible to make large plantings at a very economical cost. At this low price we will not sell orders of less than 25 Junior trees

PRICE: 25 for \$3.75; 100 for \$10; 100 for \$60.

CLUMP BIRCH

In naturalization, or as a lawn specimen, this lovely, multiple-stemmed tree is most effective. The white bark of its several trunks adds great charm to the landscape picture. The foliage is not too dense, and tends to soften, rather than hide, the sharp architectural lines of a building. Growth is gracefully upright with horizontal branches.

4 to 5 ft. \$4.25; 5 to 6 ft. \$5.00; 6 to 8 ft. \$6.00; 6 to 8 ft. 4 stem tree \$7.50. 8 to 10 Ft. \$10.00. B & B. extra.

CUT LEAF WEEPING BIRCH

BIRCH, Cut leaved Weeping, one of the most elegant of all weeping or pendulous grown and graceful drooping habit. Silvery white bark and delicately cut foliage. PRICES: 4 to 5 ft. \$3.; 6 to 7 ft. \$4.80; 8 to 10 ft. \$6.90; 10-12 \$9.75.

EUROPEAN WHITE BIRCH

A white birch with drooping branches and a white bark that peels easily. PRICES: 6-8 ft. tall \$5.00; 8-10 ft. \$6.75; 10-12 ft. \$8.75; 12-14 ft. \$12.00. If wanted balled and burlapped there will be an additional charge, according to the size of the tree selected.

PAUL'S DOUBLE SCARLET THORN

Lovely flowering shrub or small tree, growing about 15 feet tall, with spreading branches. The leaves are broad, flowers a brilliant rosy red, double, in large clusters and produced in immense quantities. The fruits are scarlet. Well suited for the small yard. PRICES: 4 to 5 ft. whips, \$2.75; 7 to 8 ft. branched \$7.50; 8-9 ft. \$9.00.

One of the Rarest of all Flowering Trees

"Silver Good"

SMOKE TREE

Many folks say this is the loveliest of all flowering trees! (Cotinus) Flowers bloom in clusters like puffs of silvery purple smoke. Thrives anywhere. Grows to be 20 ft. tall. PRICES: 18-24 inches tall \$2.00; 2-3 ft. branched \$2.90; 3-4 Ft. \$3.50.

TREES AND SHRUBS

That Lead the Beauty Parade of Spring Blooms

Breathtaking Beauty in Your Yard

MAGNOLIA TREES

MAGNOLIA SOULANGEANA. One of the best known of the deciduous Magnolias. Perfectly hardy and a very beautiful plant when in bloom.

PANICULATA GRANDIFLORA-A beautiful plant that bends to the ground with plume-like flowers. One of the best of all ornamental plants. Good either for hedges if trimmed or as tall individual plants. Grows 6 to 8 feet tall.

PRICE:.....\$1.25.

FRENCH BLUE HYDRANGEA

Large flowers. Blooms July and August. Only semi-hardy, needs winter protection. In order to get the blue color, one must mix in the soil about one tablespoon per plant of aluminum sulphate.

PRICE:.....\$1.50.

BLUE PRINCE HYDRANGEA

PRICE:.....\$1.75

Philadelphus-Mock Orange

MINNESOTA SNOWFLAKE

(Plant Patent No. 538) Bears large clusters, of white, fragrant, double blooms, during June and July. Attractive shrub with good foliage, height 5 to 6 ft.

PRICE:.....\$1.50.

PHILADELPHUS CORONARIUS. Profusion of large, snowy-white blossoms in June. Pleasantly sweet scented. Known and loved by all. Very hardy, grows 8 to 10 feet tall. \$1.10 each.

PHILADELPHUS GRANDIFLORUS. A beautiful shrub, arching and graceful, very nearly covered with flowers. Wax-like in color. \$1.10 each.

PHILADELPHUS VIRGINALIS. Grows 8 feet tall with good foliage and compact habit. The flowers (fully double, semi-double and single) are the largest and most sweetly fragrant of any known variety with the longest blooming season. Best of the modern mock oranges. \$1.10 each.

SNOWBERRY

CHENAULT (*Symphoricarpos Chenaunti*). An improved red Snowberry. Graceful form, fine foliage, lovely flowers and attractive berries. Perfectly hardy. Pink flowers in June; red berries in fall. Grows to be around five feet tall. 90¢ each.

(*Symphoricarpos racemosus*). A well-known shrub with small pink flowers followed by columns of waxen white berries that remain almost all winter. Beautiful foliage. Height - 6 ft. 90¢ each.

RUSSIAN OLIVE

Rugged, tree-like shrub, growing 10 to 12 feet high. Foliage is a beautiful silver-gray, contrasting sharply with other shrubs. Flowers are deep golden and very fragrant, followed by ornamental yellowish-brown fruits with silver scales. Highly recommended for tall hedges to hide undesirable views. 3 to 4 ft. \$1.00 each; 6 for \$5.00.

RHODOTYPOS

KERRIOIDES. May and June. Very ornamental shrub with bright green, pleated leaves, large white flowers 1/2 to 1 inch across, produced in the ends of the branchlets and followed by conspicuous shining black fruits that adhere practically all winter. A desirable shrub. \$1.40 each.

PINK TAMARIX

AFRICANA-These large shrubs have foliage resembling asparagus leaves, giving them a drooping, feathery appearance. Pink flowers in great profusion are borne in early summer. 18-24 in. \$1.15; 3-4 feet \$1.50.

SPIREA

ANTHONY WATERER. A crimson flowered, dwarf variety, making a low and compact bush, getting no higher than 24 in. Used for low work such as in front of large plants for border. Covered with red blossoms. Very attractive plants. \$1.10 each. 5 for \$4.50.

ARGUTA - One of the finest early-flowering shrubs. Blooms with the coming of the leaves, a mass of small white flowers. Foliage is cut leaved and pleasing in appearance. Height 5-6 feet. \$1.10 each. 3 for \$4.50.

BILLIARDI - We can furnish this tall Spirea in pink. Has spear-mint-shaped leaves, and cone-shaped blossoms. It is a very nice shrub for planting with others in banks. Grows from 5 to 6 feet tall. \$1.10 each. 5 for \$4.50

FRÖBELI - Semi-dwarf, reaching 2 to 3 feet at maturity; resembles Anthony Waterer in flower but leaves are reddish green. We consider this one of the best for hedging and cover work where small shrubs are needed. \$1.10 each

THUNBERGI - Forms a dense, fluffy bush, 3 to 5 feet high. The feathery foliage is a peculiar but pleasing shade of yellowish green, changing in autumn to bright red and orange. Grows for a height of 3 to 5 feet. \$1.10 each; 5 for \$4.50.

VANHOUTTEI - Bridal Wreath. This is the most popular flowering shrub. The small white flowers are borne in clusters and the whole bush takes the appearance of a graceful white fountain during May and June. Leaves are red and yellow in the fall. Thrives anywhere. Grows 8 to 10 feet.

	1	10	100
18 to 24 inches	\$.70	\$6.00	\$50.00
2 to 3 feet	.80	7.00	60.00
3 to 4 feet	1.00	9.00	80.00

EVERBLOOMING PINK SPIREA

SPIRAEA MACROTHYRSA-Blooms from late July into September with large heads of rich, warm pink flowers often 10 or more inches long on stems up to 4 feet long. Good crisp green foliage even during midsummer. A fine plant for the shrub border and in masses on slopes, where its layering stems will hold soil against erosion.

PRICE:.....\$1.00

WEIGELIA

ABEL CARRIERE. Sensational new everblooming Weigela. Covered thickly with rose-colored flowers from May until frost. Grows to graceful medium height. \$1.25 each. 5 for \$5.50.

EVARATHKE. The most distinct and one of the most attractive varieties. Flowers are deep carmine blooms in July. Full height; at maturity in 5 feet. \$1.25 each; 5 for \$5.50.

FLORIBUNDA. Surpasses all the other red-flowering shrubs. Hardier than Eva Rathke and a better flower. Commences blooming early in spring and continues all summer long. Leaves are a rich glossy green and densely cover the branches. They grow to be around 8 feet tall. \$1.25 each.

ROSEA. Tall growing, vigorous, with deep pink flowers, blooms profusely in June and a few throughout the season. Height 8 feet. \$1.25 each.

BRISTOL RUBY

BRISTOL RUBY (Pat. No. 492). Magnificent new variety. Flowers are rich ruby-red color that does not fade. Hardest of all Weigelas. Grows about 6 ft. tall. Heavy-rooted. 2 yr., blooming size, \$1.50 each; 3 for \$3.75.

NANA VARIEGATA. A beautiful shrub with variegated yellow and green leaves. One of the most handsome of all the shrubs. \$1.25 each.

NEWPORT RED

(vaniceki)-New, vigorous red-flowered Weigela, hardier and more shapely than older types. Loaded with flowers for a long period. Ultimate height 6 feet.

PRICE:.....\$1.50

PRICES on these pages of all SHRUBS and TREES are BARE ROOT PRICES. FOR B & B or POTTED TREES ask for prices.

Colorful-Inexpensive BEAUTIES

VIBURNUM

AMERICANUM-High-Bush Cranberry. Grows to 6 feet in height. Broad flower corymbs, with only the outer fringe fully open, scarlet fruit. \$1.50 each.

CARLESII (Korean Spice Viburnum). 4 to 5 ft. An introduction from Korea. Very fragrant flowers in May and June, pink in the bud opening to a waxy white approximately at the same time as the leathery green foliage appears. A specimen shrub of excellent quality. \$3.90 each.

LANTANA. Wayfaring tree. Beautiful lantana-like leaves; white flowers in May and June. Fruits color unequally from crimson to black. They grow to be 15 ft. tall. \$1.50 each.

COMMON SNOWBALL

OPULUS STERILE. Snowball. The common Snowball so useful at Decoration Day with lovely balls of white flowers. Height 10 feet. \$1.50 each.

JAPANESE SNOWBALL

TOMENTOSUM. Japanese Snowball Erect, compact, grows 6 feet in height. Covered with a mass of white in June. One of the best of the Snowball family. \$1.60 each.

REGAL PRIVET

(*Ligustrum ibota regelianum*) A hardy 4 to 6 ft. plant with graceful, arching branches and attractive foliage. One of the best all-purpose plants. White fragrant blooms, followed by bright blue-berries. PRICE: \$1.25 each.

GOLDEN VICARY PRIVET

A striking shrub, growing to a height of 4 to 6 feet. Can be trimmed to any desired height or shape. Bright yellow foliage makes it a fine specimen or as a color accent in the shrub border.

A wound dressing and pruning compound. Asphalt base. Should be used after pruning. 1/2 pint 50¢; 1 pint 75¢; 1 quart \$1.15; 1 gallon \$2.50.

GRAFTING WAX

Won't melt. Won't peel off. Gives positive seal.

1/4 lb. 55¢; 1/2 lb. 70¢; 1 lb. \$1.10.

AIRWRAP

SIMPLIFIES PLANT PROPAGATION

Everything necessary for easy, inexpensive airlayering plant propagation in a colorful, compact bag. Ideal for the beginner, hobbyist and home gardener. Each kit contains patented AIRWRAP coated plastic material, plant ties and genuine, sphagnum moss as well as detailed, illustrated instructions anyone can follow. \$1.95 per kit. By mail include 30¢ postage and .06¢ sales tax.

ROTO-HOE

Your "Dream Cultivator"

Now, from the great ROTO-HOE factories, the originators of the front-mounted tiller 20 long years ago, the company that built the first rotary cutter-tiller combination in 1919, comes a new "Dream Cultivator," specially designed for narrow rows, narrow places. It's so revolutionary that there's no dead space from worm drives or chain guards—never leaves a single weed standing. Its Timken bearings are sealed for lifetime use. And what's more, the beautiful 22"

self-propelled twin ROTO-CUTTER attachment can be added for only \$42. The Edger attachment will easily edge flower beds, driveways, walks—costs only \$24.50*. Removal of only 2 one-bolt lines converts the "Hummin'bird" to the best lawn aerator built, for not a penny extra cost!

Complete 2 1/2 h.p. "Hummin'bird" with retractable

starter only

\$109.50*

STANDARD Model 148 ROTO-HOE

... pioneer of all front-mounted tillers, and undoubtedly the most successful garden cultivator ever made, gives you faster and smoother cultivation than most all other makes. The rotor turning at about 300 r.p.m. slices through the ground most easily requiring less power than big, clumsy, bulky tines. There are so many advantages for average gardeners that space does not permit listing them here. Write for full information.

Interchangeable attachments proven by years of use are: The 22" SELF PROPELLED ROTO-CUTTER, the 5 gallon power sprayer, the Safe Speed Edger, the Snow Dens-Thrower, and Roto-Buzz Saw, as well as the lawn aerator or leaf mulcher. Units may be bought in any combination desired. ROTO-HOE costs only

\$129.50*

ROTO-CUTTER \$44.50; other attachments at similar low prices.

PLANET JR. Planetiller Tractor

KEEP
YOUR LAWN
Beautiful
with

MELLINGER'S LAWN SEED MIXTURES

HAVE A BEAUTIFUL LAWN--don't call it "work"--it's play, it's fun, it's healthful exercise. Treat your grass as a living thing, which it is--feed it, trim it carefully; be sure your mower is sharp. A dull mower soon ruins a lawn; it tears the leaf and pulls the roots. The cut should be easy and clean. Patch up its "sore" spots, remove its enemies, the weeds, look at it, "talk" to it, admire it, love it, feed it, stay with it. It is the perfect place for all the family to play, to rest, for fellowship and to breathe in rich, pure, refreshing air!

For Finest Lawn Grass
Plant

**"Evergreen"
LAWN GRASS SEED**

The base of this mixture is Kentucky Blue Grass and it is the mixture we recommend for general lawn sowing. It has proved satisfactory to our customers for many years. Produces a lustrous, well-established turf of an even tone of rich green that, with proper care, will last for many years. Composed of the highest grades of re-cleaned Kentucky Blue Grass, Red Top, Certified Perennial Rye Grass, White Clover, Chewing Fescue, and Creeping Bent. Thousands of beautiful lawns attest the quality of this mixture.

1 lb. \$1.00; 5 lbs. \$4.50; 25 lbs. \$22.50; 100 lbs. \$85.00.

MELLINGERS RAPID-GRO 5lbs. \$1.50

MELLINGER'S RAPID GRO Lawn seed is made up of a mixture of the faster growing grasses. Texture of the grass is not quite as fine as the higher priced mixtures offered. This mixture is recommended where you want a green grass quickly and texture is not important. A TRIAL PLANTING WILL CONVINCE.

1 lb. \$.40; 5 lbs. \$1.50; 25 lbs. \$6.75; 100 lbs. \$25.50.

QUICKLAWN

A blend of Fast Growing grasses designed to produce a lawn in a short period. Will make a nice lawn on almost any type soil.

1 lb. \$.45; 5 lbs. \$1.95; 25 lbs. \$9.25; 100 lbs. \$52.00.

COUNTRY CLUB

Blended for Permanency. This will take a little longer to establish itself, but once established it will produce a beautiful lawn.

1 lb. \$.65; 5 lbs. \$2.95; 25 lbs. \$14.00; 100 lbs. \$52.00.

COUNTRY CLUB SHADY MIXTURE

A mixture of grasses especially adapted to shady places.

1 lb. \$.75; 5 lbs. \$3.40; 25 lbs. \$16.25; 100 lbs. \$63.00.

EVERGREEN SHADY MIXTURE

Our finest mixture for shady places containing, Poa Trivialis, Chewing Fescue, in addition to many other seeds used in shady mixtures.

1 lb. \$1.05; 5 lbs. \$4.95; 25 lbs. \$24.25; 100 lbs. \$90.00.

BUDGET TERMS

NOW AVAILABLE FOR HOME IMPROVEMENT

UP TO 36 MONTHS TO PAY

Nodown payment, minimum order \$75. Can be used for Seed, Fertilizer, Shrubs, Trees, Evergreens, Labor etc.

Demand Will Be Greatest Ever As Merion Blue Grass Prices Are Lowest Ever

Due to another increase in acreage to try and bring production up with demand we can now offer **LOWEST PRICES** IN HISTORY on Merion Blue Grass.

Merion Blue grass is so far superior to any other grass for a home lawn, there can be no doubt about the demand for it growing, as an increasing number of Merion lawns demonstrate its merits.

Produces thicker turf, stays greener all summer and stands closest mowing. 1 lb. covers 750 Sq. Ft. 3 times as much as standard blue grass mixtures, thus being no more expensive to sow an equal area.

PRICE: 1 lb. \$1.95; 5 lbs. \$9.25; 25 lbs. or more \$1.75 per lb. By mail include for postal charges.

Separate Varieties of Grass Seeds

All Re-cleaned and of Highest Quality

MIX YOUR OWN LAWN SEED

Persons wishing to mix their own lawn seed according to special formulas may purchase the various ingredients from us. Below are listed prices in effect December 1957 on lawn seed ingredients. These prices are all subject to confirmation and market changes. Call K19-2027 for current prices.

KENTUCKY BLUE GRASS

For lawns it is indispensable; when well established, the lawn will last for years, for the grass makes an extra close fine-textured turf. The seed should be mixed with other grasses that mature earlier, for Blue Grass is very slow in both germinating and maturing. 1 lb. \$1.00; 5 lbs. \$4.00; 25 lbs. \$17.50.

DOMESTIC RYE GRASS

Quick growing; often used for temporary turf. 1 lb. \$.25; 5 lbs. \$1.00; 25 lbs. \$4.00.

ALTA FESCUE

A deep-rooted perennial grass that withstands dry weather and hard wear. Excellent for athletic fields when sown with other grasses. 1 lb. \$.35; 4 lbs. \$1.50; 25 lbs. \$3.00.

CHEWING'S FESCUE

Suitable for shady places and spots subject to hard wear. Recommended in mixtures with other grasses for parks, cemeteries and athletic fields. 1 lb. \$.70; 5 lbs. \$3.00; 25 lbs. \$13.75.

CREEPING RED FESCUE

A creeping turf-forming grass especially valuable for lawns. Thrives on all types of soil and is well adapted to shade. 1 lb. \$.75; 5 lbs. \$3.25; 25 lbs. \$15.00.

RED TOP

Will grow on poor soil or wet land where other grasses fail. Used principally as a temporary grass or as a nurse grass. Will not stand close mowing. 1 lb. \$.70; 5 lbs. \$3.00; 25 lbs. \$14.00.

POA TRIVIALIS

Particularly useful for shady places. Can be sown alone or in mixtures with other grasses. 1 lb. \$.75; 5 lbs. \$3.25; 25 lbs. \$15.00.

CREEPING BENT

Forms a tight, thick turf, permanent under close mowing. For putting-greens and fairway mixtures. 1 lb. \$.90; 5 lbs. \$4.00; 25 lbs. \$17.50.

PERENNIAL RYE GRASS

A fine-leaved grass adapted to widely diverse soil and climatic conditions. Quick growing and a good nurse grass for slow-germinating grasses. 1 lb. \$.30; 5 lbs. \$1.25; 25 lbs. \$5.00.

TIMOTHY

Can be used to nurse lawns made on rough soil. 1 lb. \$.30; 5 lbs. \$1.25; 25 lbs. \$5.00.

WHITE DUTCH CLOVER

A legume that remains green and withstands any normal dry spell. 1 lb. \$1.00; 5 lbs. \$4.00; 25 lbs. \$17.50.

FERTILIZERS for LAWN and GARDEN

**IT PAYS TO FERTILIZE . .
.. EVERYTHING YOU PLANT**

Greens and Fairways Special Fertilizer Mixture

PROVED ON THE GOLF COURSE!
PERFECT FOR THE FINEST LAWN!

While the high nitrogen formula of G & F costs somewhat more per pound than ordinary general-purpose fertilizers, a smaller amount of this special mixture is needed at each application. This fact, coupled with the long-lasting effect of G & F, which saves labor by reducing the number of applications required, actually makes it one of the most economical turf builders you can secure. You'll be proud of your lawn when you use G & F Fertilizer. 25 lbs. \$1.90; 50 lb. \$3.25; 100 lb. \$5.95; 5 bags or more \$5.75 per 100 lb.

*SACCO — (4-12-4)

SACCO is the complete balanced plant food, contains all eleven elements needed for healthy vigorous growth FROM EARLY SPRING UNTIL LATE FALL. You can enjoy a symphony of color in your flower garden---thick deep-rooted lawns---healthier green trees and shrubs. Sacco is truly the Plant Food that "makes things grow." 10 lbs. 95¢; 25 lbs. \$1.60; 50 lbs. \$2.50; 100 lbs. \$4.25.

*WEDO — (6-10-4 Plus 2, 4 D)

A balanced formula of grass-feeding elements and weed-killing 2, 4, D for established lawns. It supplies sufficient complete fertilizer to produce thick, healthy, luxuriant lawns while destroying common lawn weeds such as dandelion, plantain, ground ivy etc. at the same time. Use 1 1/2 lbs. to 100 square feet. 7 1/2 lb. bag \$1.; 25 lbs. \$2.75; 50 lbs. \$4.; 100 lbs. \$6.90; 500 lbs. \$31.00.

ORTHO LAWN GROOM

Does three jobs in one application, feed lawn, kill weeds and control lawn insects. Contains fertilizer, 2, 4-D and Lindane. 5 lb. \$1.75; 10 lb. \$2.95; 25 lb. \$5.05.

CYANAMID New Lawns of Lasting Beauty

CYANAMID on page

LIQUID FERTILIZERS

New Instant VIGORO

For Liquid Feeding... Vigoro is highly concentrated water soluble form. Ideal for leaf feeding or soil application. 1/2 lb. 80¢; 1 lb. \$1.25; 3 lb. \$3;

RA-PID-GRO

The Miracle Plant Food

A concentrated plant-food instantly soluble in water and immediately available to plants. Can be fed at the roots or through the foliage. Contains all the known chemicals, trace elements, and vitamins, necessary for growth and production, and for a vigorous healthy plant life. Nitrogen derived from urea. Analysis 23-21-17. Use it on vegetables, lawns, flowers, trees, evergreens, roses, house plants etc. 2 oz. 25¢; 6 oz. 50¢; 8 oz. 75¢; 1 lb. \$1.30; 2 lb. \$2.50; 5 lb. \$4.75; 10 lb. \$9.00; 25 lb. \$22.50; 50 lb. \$42.00

HYPONEX — (7-6-19)

Complete, balanced plant food. Soluble in water. Excellent for seedlings, cuttings, transplants, in fact every plant that grows indoors or out. Hyponex will not burn, it is clean and odorless. Can be used dry or mixed with water.

1 oz. (Makes 6 gallons) 10¢; 3 oz. 25¢; 7 oz. 50¢; 1 lb. \$1.00.

"HAS EVERYTHING"

you want in a

TURF FERTILIZER

Milorganite builds strong, healthy, luxuriant turf, deep green in color because it contains in adequate quantities such basic fertilizing elements as Nitrogen and Phosphoric Acid. In addition, it has appreciable quantities of valuable trace elements which, as a part of the plant diet, are the same as Vitamins to humans. In addition to its outstanding turf-producing qualities, Milorganite is easy to apply, granular (not dusty like other activated sludge fertilizers), free-flowing, non-burning, never cakes or hardens. 40 lbs. \$2.45; 100 lbs. \$4.65.

80 lb. \$2.50

In fact its only equal is well-rotted barnyard manure which is often unobtainable, and much more disagreeable to handle. TOL-E-GRO like barnyard manure, supplies plant food in normal proportions. 80 lb. \$2.50; 400 lb. \$11.25.

VIGORO

FOR GREENER LAWN---
BETTER VEGETABLES

Use Vigoro on everything you grow for the finest results. 5 lb. 55¢; 10 lb. 98¢; 25 lb. \$1.65; 50 lb. \$2.35; 100 lb. \$4.60; 500 lb. \$19.75.

GOLDEN VIGORO

The longest lasting complete plant food. It is so rich in grass growing nutrients that one feeding nourishes your lawn all summer. Thrifty to use: contains all food elements your grass needs. 25 lb. \$2.15; 50 lb. \$3.65;

BONE MEAL

A fine slow acting food for plants, it does not quickly stimulate top growth, but helps greatly in developing strong root systems and bulbs in the case of bulbous plants. 2 lb. bag--35¢; 5 lb. 65¢; 10 lb. \$1.15; 25 lb. \$2.50; 100 lb. \$6.75.

DRIED CATTLE AND SHEEP MANURES

These valuable manures are still considered the very best plant foods by many experienced gardeners. They contain the elements that make plants grow and, of course, being organic they add humus and moisture holding capacity to the soil. 2 lbs. 30¢; 10 lbs. 90¢; 25 lb. \$1.50; 50 lb. \$2.60; 100 lb. \$4.75.

ORTHO-GRO LIQUID PLANT FOOD — (10-5-5)

FERTILIZE YOUR GARDEN....

EASY AS WATERING
A liquid fertilizer that contains organic fish in a balanced fertilizer. Easy to apply with ORTHO Lawn & Garden Sprayer. 4 oz. 35¢; 16 oz. 90¢; 32 oz. \$1.50

Plant Food and Soil Conditioners

ROSE-FOOD

SPECIAL BALANCED ROSE FOOD (7-8-5)
An organic no filler, 100% plant food of dried blood, fish scrap, bone meal, potash cottonseed meal, tobacco powder, meat tannage and neutro-phosphate. This is a special mixture for growing roses and is a balanced, all-purpose fertilizer which can also be used on all flowers, shrubbery, etc. This type mixture has been used by commercial growers and florists for many years and has given excellent results. 1 lb. \$.35; 5 lb. \$.85; 10 lb. \$ 1.45; 25 lb. \$ 3.25; 80 lb. \$ 8.35.

RHODO-AZALEA FOOD — (3-20-3)

As in the case of Roses there are hundreds of thousands of neighborhood customers who KNOW that their acid-loving plants like Rhododendrons, Azaleas, Camellias, Mountain Laurel and Kalmias, etc., need what has heretofore been unprocurable. EXCESSIVE ACID is required to produce blooms on such plants that sometimes have never bloomed. This is a balanced ration of 3% Nitrogen, 20% of Acid and 3% of Potash. 2 lbs. \$.50; 5 lbs. \$.85; 10 lbs. \$ 1.45; 25 lbs. \$ 3.25.

ROSS ROOT FEEDER

Ross Root Feeder for thorough, effective application of fertilizers right at the root zone of flowers, lawns, vegetables, shrubs and trees. It consists of a zinc alloy valve and cartridge chamber assembly with a pointed pipe, drilled at the tip to permit flow of the nutrient solution. It attaches to a standard garden hose, as shown in the accompanying illustration. One dozen nutrient cartridges included. Price \$4.98; Additional cartridges; Price 12 cartridges \$1.00.

MORE THAN A
COMPOST HASTENER!

ACTIVO

MAKES VALUABLE FERTILIZER FROM SAWDUST, GARBAGE, COBS, COTTON AND OTHER WASTES.
ENERGIZES SOILS, FERTILIZERS, MULCHES

Turns garbage into rich humus in 2 to 4 weeks Odorless. Complete directions with every package. Activo is alive with Nature's own vital organisms, packed in rich, moist humus No. 2 size for 400 lbs. compost, \$1.39; No. 20 size for 3 tons compost, \$6.00; No 50 size for 6 tones compost, \$11.95.

PLANTABBS — (11-15-30)

Valuable quick dissolving food for house plants, in fact for all plants.
Box 10 Tablets 10¢; 30 Tablets 25¢; 75 Tablets 50¢; 200 Tablets \$1.00; 1000 Tablets \$3.50.

SEQUESTRENE

A soluble chelated iron for correcting iron deficiency in Roses, Oak Trees, Ornamentals, grass, garden and certain field crops. Gives more and better blooms—greener foliage. Economical to use. 1 lb. \$2.65.

BLOOD MEAL

For indoor culture of flowering plants, its chief element being nitrogen. Dried Blood is also used as a Rabbit Repellent. 1 lb. 25¢; 5 lb. \$1; 25 lb. \$4.15; 100 lb. \$14.50.

WHITE LIME

A hydrated lime for soil sweetening, white washing. Not a fertilizer, but puts fertilizer to work. Application on lawns: 50 lbs. per 1,000 Sq. Ft. 10 lb. Bag 39¢; 25 lb. bag 65¢; 50 lb. Bag 95¢; 5 or more bags 85¢ per bag.

PULVERIZED LIMESTONE

Corrects soil acidity, increases bacterial action and organic matter, improves soil structure and nitrification. Releases phosphorous. Reduces toxicity caused by over abundance of certain minerals. General rate of application 80 lbs. per 1,000 sq. ft. Lasts several years. 80 lb. bag 75¢.

PEAT MOSS

This true sphagnum Peat Moss is all-organic and makes a most economical source of humus for loosening heavy clay soils. Gives body to sandy soils, stores up valuable moisture, promotes the development of vigorous root growth.

It aerates the soil and prevents baking and crusting.

As a Protective Mulch against extreme heat of summer and freezing blasts of winter, spread it around base of plants to a depth of 3 to 4 inches. Handy bale \$3.75; large bale \$5.00; 5 or more bales \$4.75 per bale.

Terra-Lite®..... VERMICULITE

Highly recommended as a.....
Growing medium for rooting cuttings.
For plant propagation.
For plant germination under artificial light.
Lightens heavy soil, holds moisture in heavy soil.
Also used for storing bulbs.
1 lb. bag 30¢; 3 lb. 65¢; 7 lb. \$1.25; 4 cubic foot bag \$2.25.

"NO-DAMPOFF" SPHAGNUM MOSS

Germinate and Grow Any Variety of Seeds,
Bulbs and House Plants—Safer and Quicker!

SAFEST Planting Medium Because:

- It produces almost 100% germination
- It germinates seed faster and safer
- No seed protectants required
- No sterilization of Spaghnum necessary
- No danger from overwatering
- It produces tremendous root systems
- It is excellent for rooting cuttings
- It is ideal to use for transplanting
- Growth can be hastened or retarded
- It does not deteriorate with age

ALUMINUM SULPHATE

Used in creating acid soils in which Azaleas, Rhododendrons, and similar plants are grown. Use 1 lb. to 10 sq. ft. of surface. 1 lb. 15¢; 5 lbs. 60¢; 10 lbs. \$1.10; 25 lbs. \$2.50.

SPREADERS

Our newly designed Turf Tender seed and fertilizer spreaders are the finest to date. Both models feature finger tip control of openings and a non-corrosive neoprene agitator that forces the material through the holes giving an even distribution of seed, fertilizer or lime. This new type agitator will not corrode or jam.

TURF TENDER, JR. - 18 in. wide with 8 in. rubber. Tired Wheels on brass bushings. Easy to roll. Capacity 25 lbs. \$8.25
TURF-TENDER-De Luxe Spreader, 20 in. wide with 10 in. rubber tired wheels on brass bushings. Easy to roll \$12.25.

Chemical Weed Killers

Get Rid of Poison Ivy and Brush

use Du Pont AMMATE

Du Pont "Ammate" is the recognized poison ivy killer. Kills brush and other weeds too. One application usually cleans out worst infestations without hazard to children or pets. Ready to mix with water and spray. 2 lb. \$1.15; 6 lb. \$2.95.

VEGETATION KILLERS

TRIOX WEED KILLER

Use just once—kills ugly weeds for months

TRIOX not only kills weeds but sterilizes soil, prevents plant growth for from one to two years. Ideal for destroying weeds in patios, brick walks, driveways, etc. Easy to apply with sprinkling can. Follow label directions and cautions. 1 Qt. \$1.00; 1 Gal. \$3.50

*WEEDONE BRUSH KILLER 32

The original low volatile butoxy ethanol ester formulation. Contains 1 1/3 lb. 2, 4-D and 2/3 lb. 2, 4, 5-T acid per gallon. Kills over 100 woody plants as well as thistles, knapweed and other perennial weeds without killing the grass. 8 oz. \$1.49; 1 qt. \$3.75; 1 gallon \$7.25; 5 gallon \$34.50.

SOHIO WEED CONTROL "A"

(For Killing Weeds in Agricultural Crops)

Contains by weight 49.4% Dimethylamine salt of 2, 4-Dichlorophenoxyacetic Acid, equivalent of 41.0%. Pounds of parent acid per gallon equals 4.0. An amine salt of this nature is less hazardous to crops and, therefore, recommended for use on most agricultural crops. \$3.75 per gallon.

SOHIO ESTER WEED KILLER #44

Is a selective spray used for the control of susceptible weeds in small grain crops, lawns, turfs and pastures. It can also be used as a non-selective spray for the control of certain deep rooted perennials and woody plants not ingrowing crops. 1 gal. \$3.90.

SOHIO WEED KILLER—S.A. (Sodium Arsenite Solution)

CONTAINS 40% SODIUM ARSENITE

Designed to destroy vegetation in such locations as tennis courts, brick sidewalks, driveways, parking areas, and other places where soil can be poisoned and no plant growth is wanted. Highly recommended to kill potato vines before digging. Allow 7 to 10 days for adequate vine kill.

FOR CONTROL OF SUBMERGED VEGETATION IN PONDS OR LAKES

Fish and Wildlife Services suggest using Sodium Arsenite to control certain submersed vegetation found in ponds and lakes. Application should be made during the Summer months. 1 gal. \$2.75; 5 gal. \$9.75; Drum prices on request

NEW CHEMICAL SAVES WORK OF MOWING LAWN EDGES

STOP GRASS. Grass on the edges of your lawn, where it is difficult to mow can be kept low from 4 to 5 months with KEM KUT. In tests, one spray in early spring kept grass low until September. Observe directions exactly. 1 oz. to treat 500 sq. ft. \$1.; 2 1/2 oz. to treat 1,250 sq. ft. \$2.

"MAGIC" STUMP REMOVER

No digging, chopping or blasting! "Magic" Stump Remover—a new, quick-acting chemical compound—is merely inserted in any stump old or new. Wood fibres decompose clear to root tips, making removal easy. 8 oz. can \$1.50.

ALL PRICES QUOTED IN THIS BOOK ARE SUBJECT TO CHANGE, IF MARKET CONDITIONS SO REQUIRE.

WEED and CRABGRASS CONTROLS

WEEDONE, NEW IMP.

NEW IMPROVED WEEDONE. Contains 13% 2, 4D plus 2, 4, 5T. With this combination of weed killers you can keep lawns free of most undesirable weeds. In addition to killing broad leaved weeds it is also effective against woody type weeds as Willow, Locust, Sumac, Poison Ivy, Poison Oak etc. 8 oz. \$1; 1 qt. \$2.75; 1 gal. \$6.75.

WEEDUST

The 2, 4-D Weed Killer in dry powder form. Just dust each weed directly from the ready to use can. Large sifter-top can \$1.00; (enough to kill 1000 weeds.)

NEW WEEDONE APPLICATOR

This all plastic sprayer fits any standard gallon or 1/2 gallon jug. Attach to bottle, tilt and spray. Individually packed in attractive carton. \$.59.

WEEDONE CRABGRASS KILLER

CRAB GRASS KILLER (Potassium Cyanate). Kills crabgrass and chickweed without killing the grass 4 teaspoonsful to a gallon. 6 1/2 oz. can \$1.25; 26 oz. can \$3.75; 6 1/2 lb. can \$9.70.

WEEDONE CRABGRASS KILLER with SODAR

Here is the newest chemical for control of crabgrass and common chickweed, di-sodium Methyl Arsonate (Sodar). Also effective on nutgrass, foxtail, barnyard grass, witchgrass and dallis grass. Will not injure most lawn grasses including bents. Fine-leaved fescue grasses should be treated when temperatures are below 80°. Kills crabgrass better with less injury to lawn grasses and clover. Apply with sprayer or sprinkling can. 4 oz. \$1.25 ea.; 12 oz. \$2.75 ea. 2 lbs. \$6.75 ea.; 6 lbs. \$19.50 ea.

SOHIO WEED CONTROL "L" (Lawns)

Weed Control "L" is a 2, 4-D for use on lawns, golf greens, cemeteries, parks, estates etc. One gallon will cover up to 20,000 square feet. 1 pt. 75¢; 1 gal. \$3.75; Ask for prices on drum lots.

KILLER KANES

KILLER KANE. Kills weeds with a squirt. No stooping no digging. You kill weeds as fast as you can walk. Valve closes automatically as Killer Kane is lifted. Spray does not drift. Can be used close to flowers and shrubs without danger. \$1.98.

CYANAMID— For New Lawns

KILLS WEED SEEDS IN THE GROUND

For new lawns. Kills weed seeds in the soil and permits grass to grow without competition from obnoxious weeds. 50 lb. will treat 1000 sq. ft. Apply---wait three weeks and then sow seed. For gardens, then spade plant refuse into humus. For composting, makes artificial manure by decomposing non woody trash. 10 lb. \$1; 25 lb. \$1.85; 50 lb. \$3.25; 100 lb. \$5.50; 500 lb. \$24.75.

CRAB HERBICIDE—1

Controls crabgrass early without discoloring lawn grass. Prevents weeds in vegetable and flower gardens, around shrubs, evergreens, and hedges, and in driveways and walks. Doesn't hurt established, deep rooted plants. One pound package treats 2,000 square feet of lawn for the season. 4 oz. \$1.50; 2 lbs. \$4.90.

ORTHO Lawn Groom

ORTHOLawn Groom. Does three lawn jobs at once fertilizes desirable grasses, kills broad-leaved weeds and controls certain lawn insects. 5 lbs. \$1.75; 10 lbs. \$2.95; 25 lbs. \$6.05.

WEED A BOMB

WEED-A-BOMB. Only bomb type weed killer. Kills dandelion, ragweed, plantain and other broadleaf lawn weeds. Quick and easy to apply. No mixing. Prevents contaminating of watering can. Non poisonous to humans and animals. Economical for spot weed control. \$1.50 each.

WEDO—Is a combination weed killer and fertilizer. See page 31 for complete information.

Insecticides and Fungicides

ARAMITE 15 W

Dry, Wettable Powder controls mites on fruits, ornamentals and vegetables. 4 oz. \$1.00; 12 oz. \$2.00.

ALL PURPOSE GARDEN SPRAY

MELLINGER'S

BABY CHICKS

TURKEY POULTS • DUCKLINGS

MORE EGGS -- MORE MEAT

Chicks of progressively higher quality each year are a beneficial result of annual flock improvement program. This valuable program, which has been in effect over a long period of years, strengthens and fortifies our foundation flocks through the introduction of profitmaking bloodlines of superior quality males. Mellinger's Chicks are bred for the practical poultry raiser of today who seeks consistently higher production and finer economy in his flocks. To get the maximum profits from today's markets, be sure to discover the added advantages that are "annually" bred into Mellinger's chicks.

A deposit of \$1.00 per 100 will book your order and balance may be paid when you pick up your chicks. If you so desire we will ship chicks to you by prepaid parcel post if balance due is paid at least 10 days before hatching date. Pullet chicks are guaranteed 95% true to sex. On cockerel orders we reserve the right to furnish straight run if cockerels are not available.

Pekin Ducklings

We sincerely believe no other breed of ducks can compare with Pekins. We, specialize in quality ducklings. Among all breeds the White Pekins are preferred by all meat buyers. They command the highest meat price.

No other fowl puts on weight as fast as Pekin ducklings. You can almost see them grow. Our customers are surprised at the fast growth and the minimum cost of raising.

Try raising several flocks this year, thereby having some to sell the year 'round. 25 for \$8; 100 for \$28.00.

GOLDEN RINGNECK PHEASANTS

RINGNECK PHEASANTS are another Chef's delight---with the flavor of the wild bird and the tenderness of confinement raised fowl.

Stock your farm for good hunting next fall or raise these birds to meet fast growing "dressed" bird market demand. Cost little to raise. Postpaid 25-\$12.50; 100-\$45

BABY GEESE

Delaware X Hampshire (White)..... 19.90 per 100

STARTED CHICKS

Available only the more popular breeds and three to four week old. Minimum order is 50 chicks and larger orders should be multiples of 50. Orders must be booked 8 weeks before desire delivery date. Call KI 9-2027 for complete information.

Announcing an Amazing Scientific Discovery

NEW!

GIBREL 

Plants Grow Up to 3 Times Bigger!

GIBREL

**Is a New Type Growth Stimulant—
Not a Hormone or Fertilizer**

GIBREL belongs to a family of newly-developed potent chemicals, the gibberellins, that exert an amazing effect on the growth of ornamentals, flowers, crop plants and young forest trees. Until the present time, however, the entire world's supply of these gibberellins could only be measured in ounces. Now, for the first time, GIBREL—containing a form of these plant growth stimulants—is being produced in quantity—by Merck.

**Flowering Time Regulated and
Dormancy Broken by GIBREL**

GIBREL may be used to "time" flowering—advancing it in certain plants and retarding it in others. GIBREL has reduced time for seed production of biennials from 2 years to six months. Many experiments have shown that GIBREL will break dormancy of seeds, and of leaf and flower buds in a number of plants.

GIBREL Makes Plants Grow to Giant Size

Horticultural and agricultural scientists have reported spectacular results with GIBREL. A treated geranium plant grew to a three-foot giant. A rosebush shot up to twice its normal height. And a mutant corn plant, which usually reaches three feet at maturity, grew to eight feet after treatment. Such results have never before been possible.

A Little GIBREL Goes a Long Way

GIBREL is a very potent substance. It is effective in concentrations as low as 1/10 part per million. It may be applied to the side of a stem or to a leaf as a single drop; or to the plant as a spray. GIBREL is water soluble and easy to use.

GIBREL Produces Rapid Turf Growth

Greenhouse experiments with a variety of mature grasses have shown that GIBREL, when added to fertilizer produces rapid, extra growth—more than that with fertilizer alone.

GIBBERELL-FIX Concentrate. 5 mg. per ounce.
2 oz. \$1.; 6 oz. \$2.75; 12 oz. \$5.; By mail 25¢ additional.
